Ed , certainly talking in the 16th works. Given that is always off , can you add some color please on the agenda and purpose of the meeting EPA is requesting on November 30th ? Who all do you anticipate will be attending ?

Again , if you'd like to visit before the 16th I can be available.

Thanks

Hi Paul,  
Sorry I missed your call earlier. I got your voice-mail message and understand you'd like to have a call tomorrow. Unfortunately, I won't be able to participate on a call tomorrow and will be out of pocket until the following Thursday, November 16. Would that day work for you? Please let me know.
